**The Wells Drive Turnabout 20K**

The Wells Drive Turnabout 20K honors the long-standing Track Club 20K course in Forest Park with one exception: Instead of turning around (or the “turnabout”) in the Upper Muny Parking Lot, this race turns around on Wells Drive, which is a frequently used roadway for Track Club courses.

The course starts on Grand west of Cricket Drive. Runners and walkers head west on Lagoon Drive and complete the classic counterclockwise turnaround at the Fine Arts Triangle. Athletes then head east on Lagoon to Grand and onto Jefferson. Jefferson turns into Faulkner, and athletes head south on Faulkner and turn right (west) on Clayton Avenue. Take Clayton to McKinley Circle and veer right onto Wells Drive. Wells will make a right turn at the Wells/Macklind intersection. Continue northeast on Wells until you reach the turnabout. At the turnabout, take Wells all the way to McKinley Circle and then turn left (east) on Clayton. Take Clayton to Faulkner and turn left (north). Take Faulkner to Jefferson and to Grand.

Repeat this loop.

When completing the second loop, take the bike path around the Visitor’s Center to the finish line.

**Starting Line:** The starting line is on Grand Drive west of Cricket (to Lindell), 23 ft. east of 5503GR, the first light post west of Cricket.

**1 Mile:** The 1-mile mark is on Lagoon Drive heading west. Complete the turnaround at the Fine Arts Triangle. The 1-mile mark is 50 ft. west of light post 5997LG.

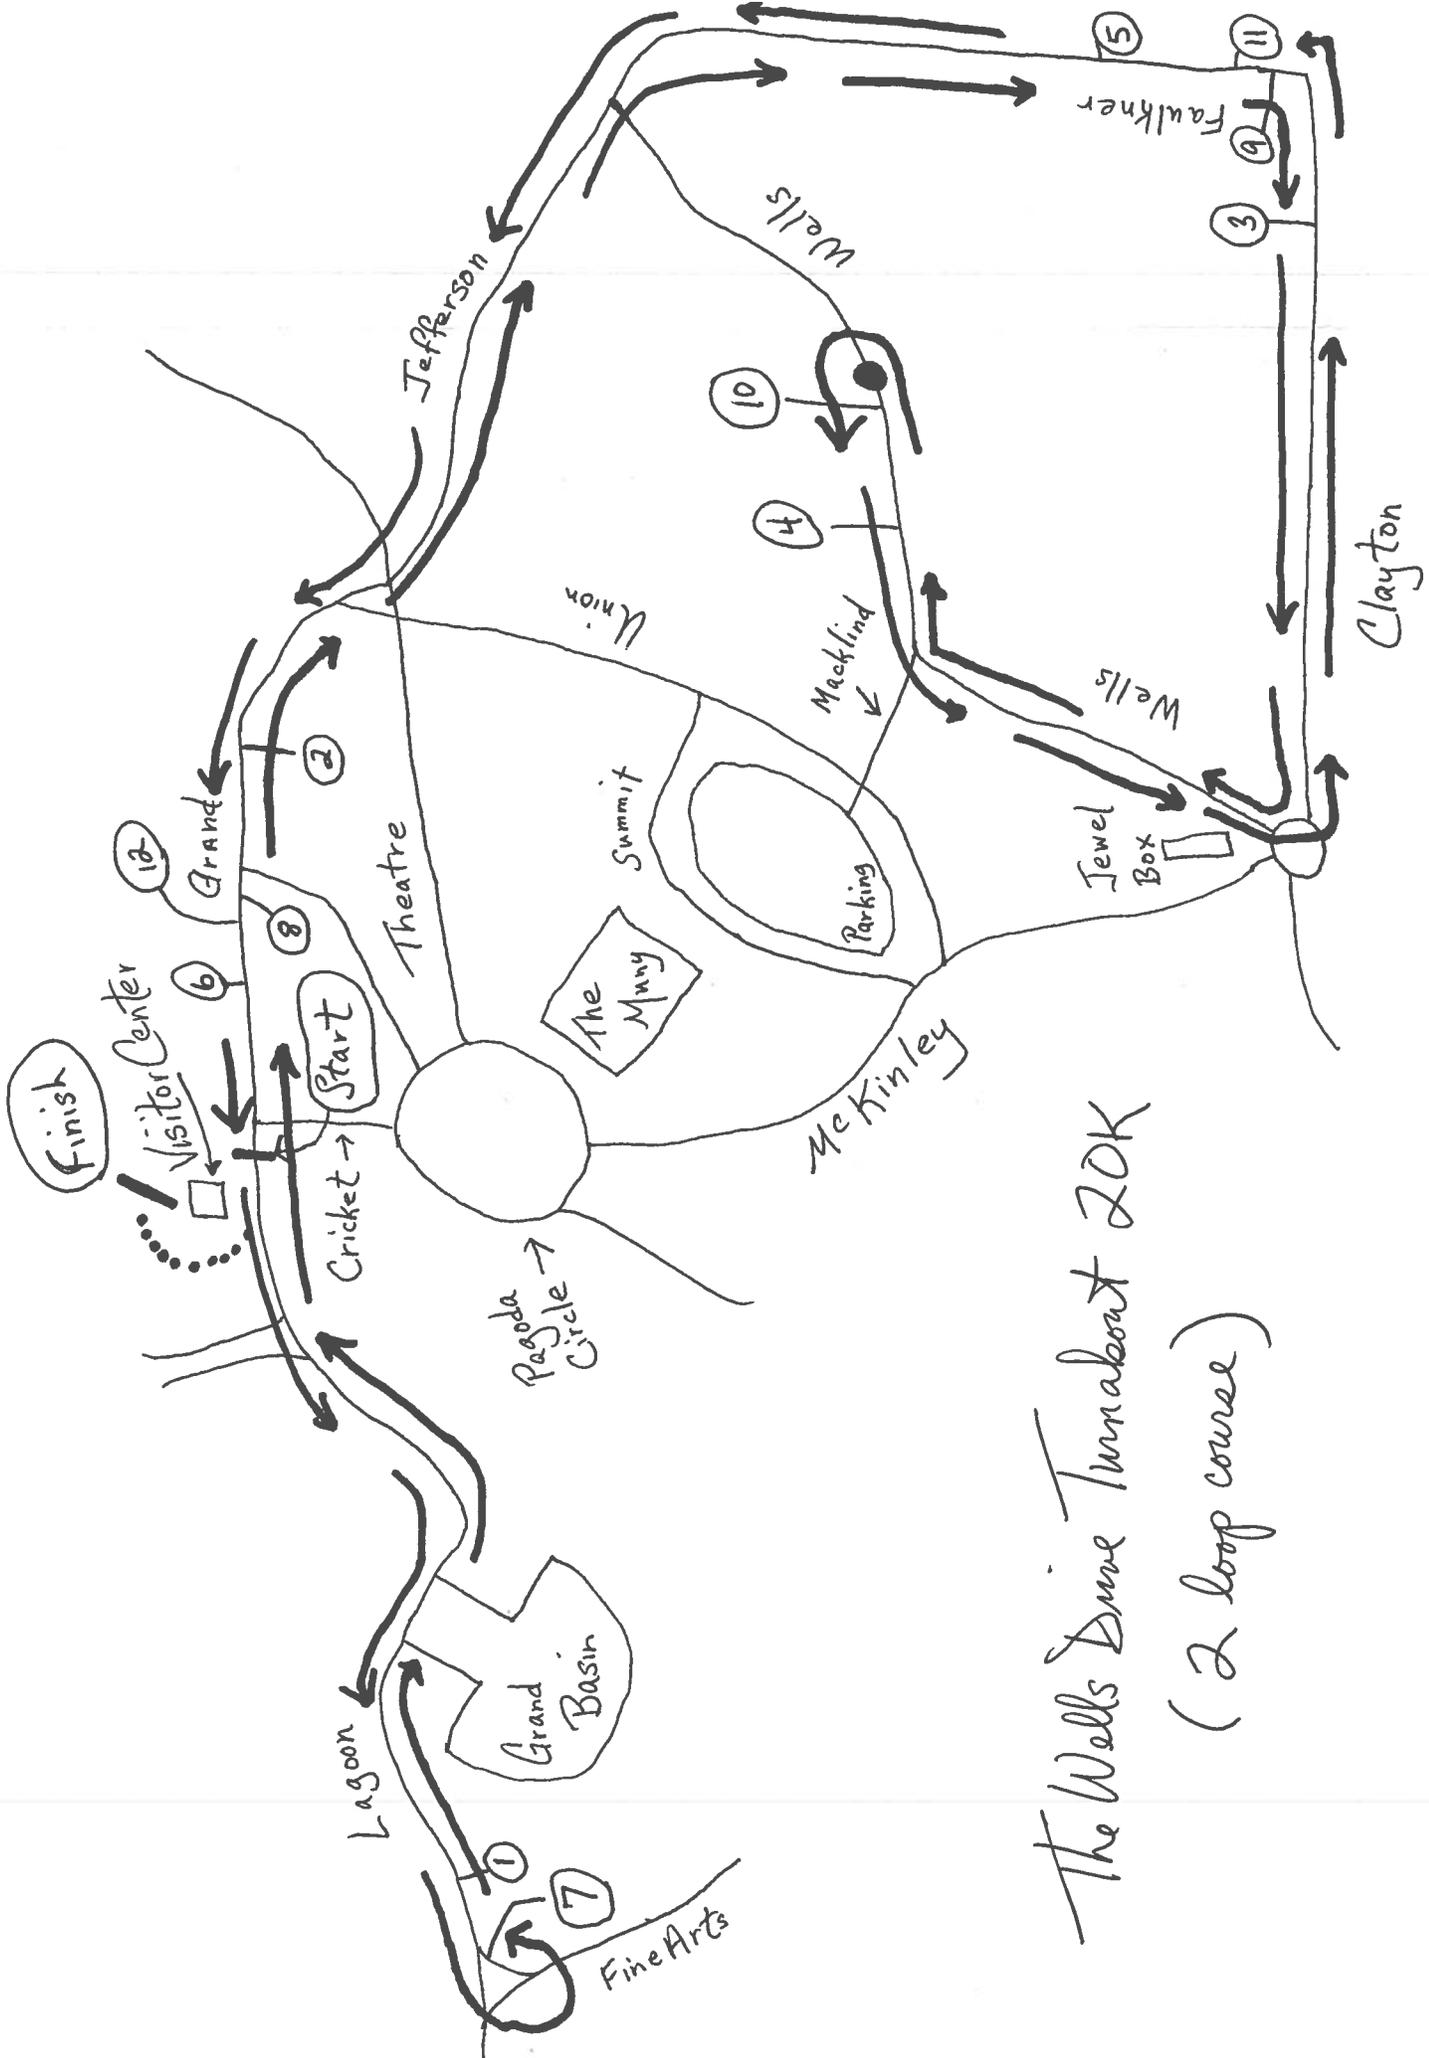

**2 Mile:** The 2-mile mark is on Grand Drive west of the stone restrooms building west of Union. Specifically, it is 51 ft. west of 5379GR, the first light post west of the stone restrooms.

**3 Mile:** The 3-mile mark is on Clayton west of Faulkner. It is 30 ft. east of 5141CY, the third light post west of Faulkner.

**Turnabout:** From the 3-mile mark, continue west on Clayton, right onto McKinley Circle, and then veer right onto Wells. Turn right onto Wells at the Macklind/Wells intersection. The turnabout is 51 ft. west of light post 5384WE.

**4 Mile:** Go around the turnaround and head west on Wells. The 4-mile mark is 34 ft. east of the light post 5448WE.
